DIRNSA To

8 November 1962

1. Request
translations of current ^{release reports and} intelligence value
directly to consumers
2. primary reporting responsibility
to the intelligence stems derived from
Cuban ^{air, air defense}
and ^{communications and}
air-air, air-ground ^{communications}
in ^{Service}
communications.

A. First priority is processing and
reporting on Cuban reactions to high
and low altitude reconnaissance
flights. Maximum effort must be
made toward real time processing
and reporting. These reports should
be issued at emergency precedence
to the distribution specified in FHE
below. *
